Forest focused, Coastal minded

FORESTRY • ENVIRONMENTAL • VETERAN OWNED

NOW HIRING

Part-Time Forest Technician

Gulf Coast Region • Flexible Schedule

About the Company

Gulf Coast Forest Consulting, L.L.C. is a veteran-owned forestry and environmental consulting firm serving landowners and land managers across the Gulf Coast. We specialize in timber inventory, reforestation monitoring, boundary and Streamside Management Zone (SMZ) marking, and prescribed pile burning. Our motto is *Forest focused, Coastal minded*.

Position Overview

We are seeking a reliable, outdoor-oriented Part-Time Forest Technician to assist with field operations. The successful candidate will help deliver the core services offered by the company, including timber cruising, planting audits, survival counts, boundary/SMZ flagging, and pile burning support. This is a hands-on field position with flexible hours based on project needs.

Key Responsibilities

- Conduct timber cruises and collect accurate plot data for volume and value inventories.
- Perform Age 0 planting audits and Age 1 survival counts on reforestation sites.
- Flag and mark property boundaries and Streamside Management Zones (SMZs).
- Assist with pile burning operations, including site preparation and fireline support.
- Maintain accurate field notes, data sheets, and equipment.
- Follow all company safety protocols and applicable environmental regulations.
- Travel to project sites throughout the Gulf Coast service area as needed.

Qualifications

- Interest in forestry, natural resources, or outdoor field work (degree or coursework preferred but not required).
- Ability to work independently in remote wooded areas and variable weather conditions.
- Comfortable walking long distances over uneven terrain while carrying light equipment.
- Basic map reading, GPS, or compass skills (training provided).
- Valid driver's license and reliable transportation.
- Strong attention to detail and willingness to learn company procedures.
- Previous experience with timber cruising, planting checks, or prescribed fire is a plus.

Schedule & Compensation

Part-time, project-based hours (typically flexible and weather-dependent). Compensation is competitive and commensurate with experience. Opportunity for growth and additional hours as the company expands.

How to Apply

Interested candidates should submit a brief résumé and a short note describing any relevant outdoor or forestry experience to:
