

2026 Summer Internship

Join American Forest Management for a hands-on and enriching summer internship experience in the vibrant **Louisiana Region**! We are seeking **1** motivated, curious individual eager to explore the world of consulting forestry alongside experienced professionals. As an intern at one of our locations in **Winnfield, LA**, you'll embark on a summer of professional growth, skill development, and real-world learning under the mentorship of our skilled foresters.

Our foresters are leaders in the industry, committed to sharing their knowledge and supporting the next generation of forestry professionals. We set high standards and pride ourselves on being subject matter experts across every aspect of forestry. At AFM, you'll have access to industry-leading tools, technology, and guidance to help you succeed. We value individuals who are eager to learn, ready to contribute, and committed to taking their careers to the next level.

What to Expect:

- Collaborate with experienced foresters on a variety of forestry and land management tasks, including inventory work, timber sale layout, streamside buffer delineation, harvesting inspections, silvicultural activity inspections, GIS/GPS applications, and general tract inspections.
- Immerse yourself in the outdoors while developing critical thinking, data analysis, and field navigation skills.
- Receive personalized training and one-on-one mentorship from professionals who are invested in your growth.
- Gain hands-on exposure to a diverse portfolio of forestry services, tools, and technologies that will build your confidence and expand your career opportunities.

About AFM

For over 50 years, American Forest Management has helped landowners manage, buy, sell, improve, and enjoy millions of acres of land. We remain dedicated to our vision of making land ownership more rewarding by helping clients unlock the full potential of their property. Through expert services and decades of experience, we build lasting relationships grounded in trust and shared success.

We are committed to high-quality, sustainable forest management and responsible environmental stewardship. Our approach to sustainability is rooted in our six core values—Integrity, Stewardship, Innovation, Dedication, Respect, and Knowledge—which guide every aspect of our forestry consulting operations and drive us to promote sustainable business practices.

Position Requirements:

- Currently pursuing a degree in Forestry, Natural Resources, or a related field.
- Enthusiastic about a future in consulting forestry.
- Previous experience in forest inventory is a plus.
- Proficient in Microsoft Excel and Word; familiarity with GIS/GPS software and tools is beneficial.

- Strong communication skills and the ability to collaborate effectively with team members, contractors, and managers.
- Must possess a valid driver's license and be comfortable working in various outdoor environments.

Perks of the Internship:

- Flexible start and end dates to accommodate academic schedules.
- Competitive hourly pay ranging from \$16 to \$17.
- Supportive, professional work environment focused on learning and development.
- An opportunity to build your resume, expand your network, and contribute meaningfully to the forestry industry.
- **Please note: AFM does not provide housing assistance.**

Apply by February 1st, 2026, to launch your forestry career with American Forest Management!

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, or national origin.
